'Dear children! This is a time of grace. As nature renews itself for a new life, you also are called to conversion. Decide for God. Little children, you are empty and do not have joy, because you do not have God. Therefore pray until prayer becomes your life. In nature seek God who created you, because nature speaks and fights for life and not for death. Wars are reigning in hearts and nations, because you do not have peace and you do not see, little children, a brother in your neighbour. Therefore return to God and to prayer.
